This review is from: BELIZE SURVIVOR: Darker Side of Paradise (Paperback)

One of the most powerful books I've ever read. You don't want to put it down. And can't wait to pick it up again. The strength behind the words of the author exemplifies her determination to develop each character to their fullest. From this determination, we are able to formulate strong opinions of each character and how they respond to their environment. The book causes you to think beyond your everyday thoughts and beliefs. Many times, shocking you into the reality of her existence. The reader helplessly becomes actively engaged in the story. I am looking forward to the next book from this author.
